

# WA National Disability Insurance Scheme

## Regional teams

The WA NDIS will be delivered through 12 Regional teams. These teams will be the first point of contact for people with disability, their families and carers.

The regions were determined based on the number of people potentially eligible for the WA NDIS in each area, local government boundaries, geography (distance between different areas), regional service responses, and the requirements of the bilateral agreement between the State and Commonwealth governments.

The regions are identified by the following titles, and a breakdown of the local government areas within each of these regions can be found on page 2:

Regional WA	Metro Perth
Kimberley Pilbara	North Metro
Midwest Gascoyne	Central North Metro
Goldfields Esperance	North East Metro
Wheatbelt	South East Metro
South West	Central South Metro
Great Southern	South Metro

Each regional team will include the following staff:

- a Regional Manager,
- multiple Area Managers,
- multiple Local Coordinators,
- administrative and eligibility support staff,
- allied health consultancy capacity,
- technical support for self-management,
- community engagement and development expertise, and
- complex needs coordination and consultation capacity.
