- Shared management
- Services to individuals with psycho-social disability

#### Karratha Speech Pathology's service description:

Karratha Speech Pathology Clinic is a locally established practice which strives to support individual clients and families with quality, coordinated services. Goals and programmes are evidence-based and utilise best practice guidelines.

Individual therapy sessions and programmes are provided from a private office. Other service locations (e.g. home, school, day care) are available by arrangement.

Outreach services can be discussed with clients/families in remote locations (Shire of Ashburton, Town of Port Hedland).

Appointments are available weekdays, Saturdays and school holidays.

Karratha Speech Pathology delivers effective services including:

- Development of early, school-age and social language skills
- Training for parents, teachers and other members of support team
- Effective home, school and distance programmes
- Ongoing liaison with Allied Health staff
