

Service Description Template

Kimberley

Name of Organisation:

Life Without Barriers

Website (link):

<http://www.lwb.org.au/>

Areas Covered:

- The Shire of Broome
- The Shire of Derby-West Kimberley
- The Shire of Halls Creek
- The Shire of Wyndham-East Kimberley

Support Clusters:

1. **Accommodation** is where you live and includes daily support needs.
2. **Daily living** support will help you to live on your own and be part of the community. It can also help you learn skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
7. **Behaviour Support** can help you find ways to support you or others when behaviours might be harmful.
8. **Therapy and Specific Support** will help you do more for yourself and be included in the community.

Life Without Barriers' Service description:

Life Without Barriers, Broome, WA – is an NDIS provider operating across the Kimberley (from East to West) supporting individuals with a disability (including psycho-social) with:

- Shared living: 24/7 residential care;
- Daily living: in home care or drop in supports in daily living and personal care activities;
- Host family: providing 24/7 care with a host family or where the person spends a night in a family home having a break from their family of origin;
- Live in carer: where a co-resident shares a home with a person with disability and provides support/companionship in return for payment or rental subsidy;
- Community support: Individuals participate in activities which increase their social networks, community participation; recreation and pre and post-employment support;
- Positive Behaviour support: offers time limited plan based strategies that aim to limit the likelihood of behaviours of concern developing increasing;
- Support planning: assistance in coordinating or managing life stages, complex situations and life transitions OR assistance in delivering supports beyond standard unit priced services;
- Therapeutic Supports (complex behaviours): Clinical support team undertake assessment to identify causes of challenging behaviour; develop positive support plans to assist individuals to learn new ways of coping with situations; work with family, staff and other professionals to ensure plan fits with lifestyle and preferences of the person, and that it is consistent with the other services and supports which may be in place for that person.
