

## Service Description Template

**Pilbara**

**Name of Organisation:**

Yaandina Community Services

**Website (link):**

[www.yaandina.org](http://www.yaandina.org)

**Areas Covered:**

- The City of Karratha

**Support Clusters:**

- 2. Daily living** support will help you to live on your own and be part of the community. It can also help you learn skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
- 3. Communication-Auslan** – Auslan is Australian sign language. Communication support can help you to talk about what you need, ask for help, understand what you read and understand what people say.
- 4. Wellbeing** support will help you to find a job or do community activities.
- 5. Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
- 6. Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
- 7. Behaviour Support** can help you find ways to support you or others when behaviours might be harmful.

**For the above cluster(s), Yaandina Community Services is able to offer**

- Services to individuals with psychosocial disability
- Shared Management of service

## Yaandina Community Services' description:

Yaandina provides assistance to help you stay living at home and enable you to participate in community life where it would otherwise be challenging. This could include, but is not limited to:

- Budgeting, daily planning & coordinating complex supports.
- Assistance to access and maintain employment, school or educational programs.
- Assistance with daily personal care & activities in daily life including lower, standard and higher needs to assist you in living as independently as possible.
- Assistance with transport/travel arrangements including training for independence so you can utilise public transport independently
- Household tasks enabling you to maintain your home environment.
- Physical well-being activities to encourage healthy lifestyle including exercise and healthy diets.
