## Activ's Service description

### Activ. We believe in you.

Activ has a strong and proud history of supporting people living with disability to reach their goals, achieve their dreams and break through barriers.

Established in 1951 by a small group of motivated families who joined forces to build a future for their intellectually disabled children, Activ has grown into the state's largest not for profit disability service provider.

Today, Activ supports more than 2,000 people living with intellectual and developmental disability and their families across the state, offering a range of person centred services and supports designed to meet individual goals.

2016 marked a special year for Activ as we celebrated our 65th anniversary. This gave us a chance to reflect on our history, celebrate our achievements and look forward to our future. We are very proud of our heritage and are confident that our foundations will place us in good stead as we navigate the changing world of the NDIS and the challenges and opportunities it brings.

Activ's services are provided across the Perth metropolitan area, as well as regionally in Albany, Bunbury, Busselton, Esperance, Geraldton, Kalgoorlie and Kellerberrin.
