Areas Covered:

- Mandurah; and
- Rockingham

Support Clusters:

1. **Accommodation** is where you live and includes daily support needs.
2. **Daily living** support will help you to live on your own and be part of the community. It can also help you learn skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
7. **Behaviour support and specialist care**
 - 7a. Behaviour Support.
 - 7b. Specialist care for persons with high care needs (includes nursing care in the community for people with high care needs).

For the above cluster(s), Cam Can is able to offer

- Services to individuals with psych-social disability
- Shared Management
