Down South Therapy Services description

Down South Therapy Services provides mobile Speech Pathology, Occupational Therapy and Physiotherapy Services to infants, children, teenagers and adults. Our experienced team of Occupational Therapists, Speech Pathologists and Physiotherapists travel to homes/ schools/ community to see individuals with diagnosis including but not limited to Autism, Developmental Delay, Intellectual Disability, Cerebral Palsy and Down Syndrome.

We provide tailored and individualized assessment and intervention (1:1 and group) based on your needs and goals. As an established and highly reputable provider of Occupational Therapy, Speech Pathology and Physiotherapy services we are well known in the area for the provision of high quality evidence based services that are flexible to the needs of families to assist families, children and individuals to achieve their goals and reach their fullest potentials in a functional and innovative manner.

Down South Therapy Services assists children and families to meet their goals in the provision of:

- Mobile Speech Pathology and Occupational Therapy services –individual and group options
- Education and training to families and key people within your life through direct liaison, home programs and involvement in intervention sessions
- Highly experienced staff will provide you and your family with services that are individualized to your needs and goals and based on most evidence based practices. For more details on our services please do not hesitate to contact us directly 0404 698 218 or www.downsouththerapy.com.au
