Areas Covered:

- Mandurah and Rockingham

Support Clusters:

1. **Accommodation** is where you live and includes daily support needs.
2. **Daily living** support will help you to live on your own and be part of the community. It can also help you **learn** skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
7. **Behaviour support and specialist care**
 - 7a. Behaviour Support.
 - 7b. Specialist care for persons with high care needs (includes nursing care in the community for people with high care needs).
8. **Therapy and Specific Support** will help you do more for yourself and be included in the community.

For the above cluster(s), Senses is able to offer

- Services to individuals with psycho-social disability and Shared Management

Senses service description

As one of the nation's leading not for profit organisations, Senses Australia provides world class disability services to the Western Australian community. Every day we assist children, adults and seniors with a wide range of disabilities to meet their physical, social and emotional needs including their daily living requirements.

We provide a comprehensive suite of support services and therapies through our experienced and specialised staff. Through this our clients gain greater independence, form closer community connections, and improve their health and well-being.

Together we do this by creating an individualised service for each client, delivering the service where they choose and supporting them to aspire and achieve.

Clients, parents and cares can explore options to take a break both in their home and away from home. Our team work closely alongside education staff, health professionals and others to support people with disability.

Staff who can support you include:

- Support Workers
- Speech Pathologists
- Occupational Therapists
- Physiotherapists
- Psychologists
- Social Workers
- Deafblind Consultants
- Orientation and Mobility Instructors
- Dieticians
- Nurses
