Areas Covered:

- Mandurah; and
- Rockingham

Support Clusters:

2. **Daily living** support will help you to live on your own and be part of the community. It can also help you **learn** skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.

For the above cluster(s), Care Options is able to offer
Services to individuals with psycho-social disability; and
Shared Management

Care Option's service description:

At Care Options, we actively listen and respect the opinions of others. We continuously strive to honour any commitments we have made and to be open and honest in everything we do.

Our staff work enthusiastically as part of a happy, fun-loving team, with a can-do attitude. Our clients are placed at the centre of everything we do and our goal is to deliver a quality, safe, service based on a strong understanding of client needs.

Working in collaboration with you, we will take personal responsibility to deliver a positive client experience.
