Kids Are Kids service description:

Kids Are Kids! is a not for profit therapy organisation who provides individualised early intervention and school age therapy services to children with a wide range of disabilities. We have an experienced team of Speech Pathologists, Occupational Therapists, Physiotherapists and Clinical Psychologists who will work closely with you to provide family centred, transdisciplinary, evidence based therapy intervention that support you/your child with your goals.

We provide both centre based as well as home, school and community based therapy and will work with you to determine the best environment in which therapy should occur. We believe that learning occurs across the day and that therapy is most effective when embedded in the natural learning environment.

As a smaller organisation we genuinely care for our clients, and look after each individual/family's needs to provide a highly individualised service. Our team of therapists are experienced in supporting children in a range of areas including:

- Speech and language, including AAC
- Literacy
- Mealtimes, fussy eating and dysphagia
- Social skills
- Emotional regulation
- Anxiety, depression and mood problems, aggression/violence
- Challenging behaviour, positive behaviour support
- Play skills
- Mobility, gait, posture, motor planning and coordination, strength and endurance
- Fine motor skills including writing, cutting
- Visual perceptual skills
- Self-care skills: such as dressing, feeding and toileting
- Sensory processing
- Equipment prescription
- Home modifications
- Vehicle modifications
