

## Service Description

### South Metro

#### Name of Organisation:

MSWA

#### Website (link):

<https://mswa.org.au/>

#### Areas Covered:

- Mandurah; and
- Rockingham

#### Support Clusters:

1. **Accommodation** is where you live and includes daily support needs.
2. **Daily living** support will help you to live on your own and be part of the community. It can also help you **learn** skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
8. **Therapy and Specific Support** will help you do more for yourself and be included in the community.

#### **For the above cluster(s), MSWA is able to offer**

Services to individuals with psycho-social disability and Shared Management

## MSWA's service description:

MSWA supports adults living with multiple sclerosis and other neurological conditions. Our Individual Options team provide a range of supports both in the home and community; including personal care, domestic assistance, supported community access and recreation. MSWA trains our care support workers to provide care and support for our clients.

Our experienced team of nurses and allied health staff, including occupational therapists, physiotherapists, counsellors and speech therapists, provide assessments and can prescribe equipment and home modifications designed to maximise independence and enhance quality of life.

They deliver tailored supports and programs within the WANDIS allocated transdisciplinary packages based on the individual's goals and desired outcomes. Our dedicated NDIS Team work with individuals so they can better understand the NDIS and how it can help them.

They can provide information and assistance with pre planning and planning discussions; supporting a smoother transition and greater understanding of the processes.

We have a dedicated NDIS Business Unit who specialise

We have high support accommodation facilities across three locations and two residential respite able to support those living with complex and high care needs.
