Melville Occupational Therapy service description:

Laying the foundation for your child's future.

Melville Occupational Therapy and Extra Lesson for Children provide services in the South Metro area through the Byford Satellite Clinic. We provide services to children who meet the WA NDIS selection criterion of ages between 0 to 18

Our service is clinic, consultancy, school or home based. We see children with developmental delay, autism and functional disability.

Our strengths are:

- Holistic approach working with the child within his or her environment and tailoring his/her goals accordingly,
- Sensory processing difficulties,
- Facilitation of developmental milestones,
- Fine motor development in relation to function
- Activities of daily living.

We are a group of Occupational Therapists and seek to work in a team with other professionals working with your child.
