Support Clusters

1. **Accommodation** is where you live and includes daily support needs.
2. **Daily living** support will help you to live on your own and be part of the community. It can also help you learn skills in personal care, communication, shopping, cooking and cleaning. This support can be used to get help with transport and teach family and carers how to support you.
4. **Wellbeing** support will help you to find a job or do community activities.
5. **Having a break** can help you to do things you enjoy and have a good relationship with your family and friends. You can get help to give your carer a break, go to activities or go to respite care in your own home or somewhere else.
6. **Support Planning** will help you if things in your life change. Support can be used when something happens that you did not know would happen, when there are many things to manage that you need help with and to plan during these times. Support can also be used by your main service provider to manage 3 or more of your services.
7. **Behaviour Support** can help you find ways to support you or others when behaviours might be harmful.
8. **Therapy and Specific Support** will help you do more for yourself and be included in the community.

For the above cluster(s), Mosaic is able to offer

- Services to individuals with psycho-social disability; and
- Shared Management

Mosaic's service description:

Mosaic Community Care Inc. is a Perth based service provider for people with a disability who need support to progress their individual goals.

Mosaic was established in 1992 by a group of community members interested in developing improved options for their family members and celebrates its 25th Anniversary in 2017.

Today our over 200 staff provide contemporary, flexible and innovative services to support people with disability.

Our vision is to "enrich the quality of life of people with disability" and we do this by:

Accommodation

- Shared living spaces and independent living units in purpose-built accommodation. Staffed by dedicated, experienced teams providing 24/7 support, our residences are located in hubs across the Perth metropolitan area and provide a welcoming, homely atmosphere in a supportive and safe environment.

Community Access & Support

- A person-centred, individualised service that includes:

Daily Living, Personal Care and Support

- Supporting daily life tasks such as travel, life skills development, problem solving, In-home personal care and Support Coordination

Well Being - Recreation, Education and Employment

- Assistance to participate in community, social and civic activities, exercise and sporting activities, Mentoring, access and maintain employment

Having a Break

- Our services include in-house assistance to support the family structure and valued role of the individual.

We offer services 24 hours a day, 7 days a week and cater for all ages from children to adults.

Positive Behaviour Support
