## BGSR Pty Ltd service description:

**BGSR Pty Ltd** was started in 2007 and has been funded by DSC since that time. Both directors have a background in social training and social work – and worked at DSC for many years before leaving Accommodation services to start BGSR. We are also endorsed by The National Disability Insurance Scheme.

We specialise in:

- Offering flexibility to anyone who requires support – you have an idea and we will help you achieve it;
- Assisting individuals who may require training to live independently – many of our coordinators are ex DSC social trainers;
- Providing quality accommodation services to people with a variety of models – from group homes and clusters to individual options;

We like to assist people who have tried other providers and have been disappointed with the service they have received.

We currently support around 120 people with a disability and their families throughout Perth. Contact us and see how we may be able to support you.
